## ***New Frame Design!***

### ***Good Buddy® III 5/16" Duct Hunter***

Continuing to bring our customers the best in the industry, Jameson has redesigned the Good Buddy III Conduit Rodder and 5/16" Duct Hunter frames.

With these new features, the rodder is more stable and easier to maneuver in the field:

- Wider Base With Rubber Feet
- Larger Wheels
- Pull from Side, Not End

**DUCT HUNTER™**  
 Traceable Rodders
