Retracting Cable Capture For Easy Loading and Unloading

Specifications
* 100 KV/Ft Dielectric Withstand
Stainless Steel Fasteners

24” Aerial Sheave:
- Weight: 14 lbs. (6.35 kgs)
- Maximum Load Rated for 1,600 lbs.

8” Aerial Sheave:
- Weight: 8 lbs (3.63kgs)
- Maximum Load Rated for 1,600 lbs.

24” Sheave

8” Sheave

Anodized Aluminum Axle

Patent Pending
Low-Friction, Retracting Cable Capture

Hoist Ring
Quick Release Latch
Latch Arm
Sealed Bearings
