

GUARDFLEX™

GUARD RAIL DELINEATORS

TD9100 MODEL

CONFORMS TO MUTCD SPECIFICATIONS

FEATURES:

- Provides exceptional visibility on roadway where vision is restricted by hills, vegetation, curves, or snow.
- Produced using specially formulated high impact polymer that provides exceptional flexibility increasing impact resistance.
- Raised edge along its length provides increased strength and durability.
- Molded holes are provided for ease of installation.
- Each marker can utilize up to 36 square inches of reflective sheeting providing motorist with safer nighttime driving.
- Can be mounted to wooden guard rail posts that place top of flexible delineator at 48".

COLORS AVAILABLE:

The TD9100 Guardflex is currently available in White. WY can manufacture it in your desired color.
